

Kabbalat Shabbat & Assembly Visitors Guide

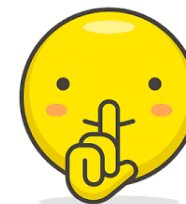

We appreciate you supporting children at Alma!
Please help us by...

Keeping your phones away
except for taking pics of your own child

Being respectful and joining in with songs...
but please don't chat

Taking out younger siblings if they make noise
but bring them back when they are quiet again

Clapping for all our children's achievements
but please don't call out

If the fire alarm goes off then **please listen to instructions** from the staff team
